

## Wording for your Will

Thank you for thinking of how you can make a difference to children's lives in the future with your Will.

Once you have chosen what type of gift you would like to include for the Murdoch Children's Research Institute, please take this wording with you to your solicitor.

*"I give [(a) my whole estate; or (b) the residue (or percentage of the residue) of my estate; or (c) \$(amount); or (d) a specific item] to The Murdoch Children's Research Institute ABN 21 006 566 972 of 50 Flemington Road, Parkville VIC 3052 for its general purposes. The receipt of the treasurer, secretary or public officer for the time being of a beneficiary under this provision is a sufficient discharge to my executors/trustees in respect of a gift to that beneficiary and I declare that my executors/trustees shall not be responsible for seeing to the application of that gift."*

A gift for our general research work means that we can focus the very best projects that will make a difference to the lives of children. **If you would like your gift to go towards a specific type of research, please contact us before you see your solicitor.**

Thank you again for thinking of this special gift for children in the future. We truly appreciate your kindness and your consideration.
